

**New on DVD:**

## *Taken 3*

*Taken 3* is the latest installment in the successful Taken franchise. Liam Neeson stars as a retired CIA operative who is accused of a crime he didn't commit. He must utilize his unique brand skills to find the real murderer. The film also stars Forest Whitaker, Famke Janssen and Maggie Grace. This film guarantees another action packed ride.

Catch up with the first two movies; [Taken](#) and [Taken 2](#).
