# OLLIE MAKES A SPLASH!

This summer we are Splashing into Stories and our mascot, Ollie the Ox, wants to dive into the fun! **Snap a picture of Ollie having fun with water and send it in to be included in “Ollie’s Summer Splash Scrapbook”**

Take Ollie to the beach, a splash pad, read an ocean book, introduce Ollie to your pet fish- no adventure is too big or too small!

**\*Photos** can be emailed to [socialmedia@ocl.net](mailto:socialmedia@ocl.net) or tag Oxford County Library on Facebook or Instagram. These photos may be shared on Oxford County Library’s social media during the summer. Let us know what Ollie is up to in your photo to be included in the end-of-summer digital scrapbook!

**\*Any photos that include children’s faces must have signed photo consent returned to the library before the photo can be used. Staff will contact you if photo consent is required.**

**\*Photos will be accepted from
